Continue in stockinette stitch (knit all stitches) for 111 rows.

Note : Body height before armholes: approximately 37 cm

Rang 127

Armhole separation: Knit 114 sts (back), place 20 sts on hold (left underarm), knit 104 sts (front), place 20 sts on hold (right underarm), knit to marker.

Note : Held stitches will be joined to sleeves later.

- Place a marker at center front and center back to mark side "seams".

Yoke

Montage : 208 mailles | Rangs : ~66

Rangs 1 - 4

Back and front separately: Continue back on 104 sts. Decrease 1 st each side every 2 rows, 3-4 times to shape armholes.

Rangs 5 - 56

Continue straight until 56 rows from separation.

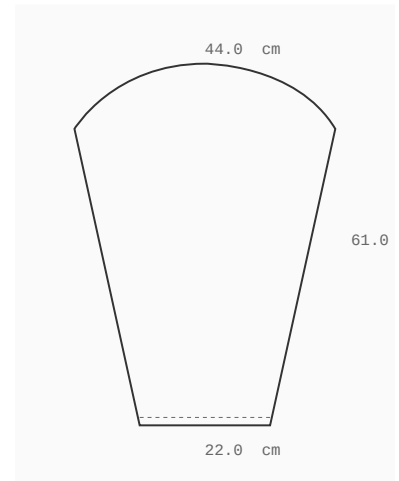

Rangs 57 - 66

Shoulders: Bind off 51 sts each side in 2-3 steps. Bind off center 2 sts for back neck. Repeat for front, starting neck shaping 2 cm earlier.

- Pick up stitches around neckline and work 2-3 cm of 1x1 rib.

Sleeve (x2, in the round)

Montage : 88 mailles | Rangs : ~183

Rang 1

Pick up 77 sts around armhole, then work 11 held underarm sts. Total: 88 sts. Join in the round, place marker at center underarm.

Note : Use double-pointed needles or magic loop for small circumferences.

Rangs 2 - 169

Decreases: Decrease 1 stitch each side every 7 rows, 22 times (14 remaining rows to knit straight). You have 44 sts.

Note : Decrease with SSK before marker and K2tog after.

Rangs 170 - 183

Cuff: Work 15 rows in 2x2 rib on 44 sts. Bind off loosely in rib.

- Knit 2 identical sleeves.

Assemblage

1. Body is already knit in the round - no side seams!
2. Sleeves are knit in the round from the armhole - no sleeve seam!
3. Only finishing: weave in ends at underarm joins.
4. Block finished garment to measurements.

Finitions

- Weave in all ends carefully.
- Block finished garment in lukewarm water.
